

# How to login to Internet Banking & Activate the Expree App

For your initial login, go to [expree.org](https://expree.org) & click the blue login button.

Your username is your account number & your password is the last four of the primary account holder's social security number. Once you've put in this information, click [Sign In](#).

**Username:**

**Password:**

## Let's Secure Your Account

Welcome to Multi-Factor Security Enrollment! We have enabled additional security features to help protect your account. After enrollment, these security challenges will be presented to you upon login to help you identify this site and also to provide additional protection beyond the traditional username and password. Let's get started.

### Security Image

Please select one of the following images. This image will be presented to you as additional confirmation that you are communicating with our site.

Secure your account by choosing a security image. Make a mental note of this image, as it will be presented to you when you login.

Select three challenge questions, enter your challenge responses and then click [Submit](#).

Here you'll be prompted to set up a password between 8 and 16 characters, containing at least 1 alpha character, 1 digit, and one special character, and click [Submit](#).

## Expree Anywhere Mobile App How-to

Go to your [App Store](#) or [Google Play](#) and search for **Expree Anywhere**.

Download the app - the background is green with a white logo. Login with your username (account number) and password.

Want a guided tutorial of the Expree Anywhere Mobile App? Got to [expree.org/resources](https://expree.org/resources) and view videos that will help you navigate the mobile app & internet banking.

Review previous transactions via Holds, Pledges, & Pending ACH

Toggle your debit cards on & off with Remote Control Cards

Submit loan applications with Loan Application

Transfer funds from one account to another with the Transfer feature
