

WHAT YOU NEED TO KNOW ABOUT OVERDRAFTS AND OVERDRAFT FEES

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

- 1. We have standard overdraft practices that come with your account.
2. We also offer overdraft protection plans, such as a link to another account, which may be less costly than our standard overdraft practices. To learn more, ask us about these plans.

This notice explains our standard overdraft practices.

What are the standard overdraft practices that come with my account?

We do authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your checking account number
• Automatic bill payments

We will not authorize and pay overdrafts for the following types of transactions without your consent.

- ATM transactions
• Everyday debit card transactions

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction. If we do not authorize and pay an overdraft, your transaction will be declined.

What fees will I be charged if Expree Credit Union pays my overdraft?

Under our standard overdraft practices:

- We will charge you a fee of up to \$30 each time we pay an overdraft
• There is no limit per day on the total fees we can charge you for overdrawing your account

## What Else You Should Know

- A link to another account may be a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, internet banking, and telephone banking services to keep track of your balance. For additional financial education resources, please visit [www.Expree.org/Greenpath](http://www.Expree.org/Greenpath).
- The \$30 Courtesy Pay (CP) Fees is the same fee amount that is charged if an item is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Courtesy Pay (CP) Fees or a Return Item Fee of \$30. All fees and charges will be included as part of the Courtesy Pay limit amount. Your account may become overdrawn more than the Courtesy Pay limit amount because of a fee.
- If an item is returned because the available balance in your account is not sufficient to cover the item and the item is presented for payment again, Expree Credit Union will charge a Return Item Fee each time it returns the item because it exceeds the available balance in your account. If, on representation of the item, the available balance in your account is sufficient to cover the item Expree Credit Union may pay the item, and, if payment causes an overdraft, charge a Courtesy Pay (CP) Fees.
- For consumer accounts, there is no limit on the total Courtesy Pay (CP) Fees per day we will charge.
- This describes the posting order for purposes of determining overdrafts. Our general policy is to post items throughout the day and to post ACH credits before debits. ATM, ACH and debit card transactions are posted from lowest to highest dollar amount, while paper checks are posted in check number order; however, because of the many ways we allow you to access your account, the posting order of individual items may differ from these general policies. Holds on funds (described herein) and the order in which transactions are posted may impact the total amount of Courtesy Pay (CP) Fees or Return Item Fees assessed.
- Although under payment system rules, Expree Credit Union may be obligated to pay some unauthorized debit card transactions, Expree Credit Union will not authorize debit card or ATM transactions unless your account's available balance (including Overdraft Coverage Options) is sufficient to cover the transactions and any fee(s).
- Giving us your consent to pay everyday debit card and ATM overdrafts on your consumer account (Extended Coverage) may result in you incurring Courtesy Pay (CP) Fees for transactions that we would otherwise be required to pay without assessing an Courtesy Pay (CP) Fees. However, this would allow us to authorize transactions up to the amount of your Courtesy Pay limit and may also help you avoid overdrafts in excess of your available balance. If you consent to Extended Coverage on your consumer account, it will remain on your account until it is otherwise withdrawn.
- Expree Credit Union authorizes and pays transactions using the available balance in your account. Expree Credit Union may place a hold on deposited funds in accordance with our Membership and Account Agreement, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Courtesy Pay limit and any available Overdraft Protection. The available balance for ATM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, plus any available Overdraft Protection, but does NOT include the Courtesy Pay Limit. For accounts with Extended Coverage, the Courtesy Pay Limit is included in the available balance for authorizing ATM and everyday debit card transactions.
- Please be aware that the Courtesy Pay amount is not included in your available balance provided through online banking, mobile banking or Expree Credit Union's ATMs.
- Expree Credit Union will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Courtesy Pay (CP) Fees may be assessed.
- Except as described herein, Expree Credit Union will not pay items if the available balance in your account (including the Courtesy Pay limit, if applicable) is not sufficient to cover the item(s) and the amount of any fee(s).
- New consumer checking accounts will receive a \$130 Introductory Courtesy Pay limit at account opening that will be increased to \$530 after 60 days in good standing for consumer accounts or \$730 after 60 days in good standing with a confirmed Direct Deposit.
- Courtesy Pay is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Courtesy Pay may be suspended if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 30 days for a minimum of one business day. You must bring your account balance positive for at least one business day to have the full Courtesy Pay limit reinstated.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Membership and Account Agreement. The total (negative) balance, including all fees and charges, is due and payable upon demand.
